

Eliot SOREL MD is an innovative global health leader, educator, health systems performance expert, and a practicing physician. He co-chairs the *Metrics Group* of the *Healthy Brains Global Initiative (HBGI)*. Doctor Sorel has served as a subject matter expert on World Health Organization (WHO), U.S. National Institute of Mental Health, (NIMH), World Bank Group (WBG), the Inter-American Development Bank (IADB), and the Organization for Economic Cooperation & Development (OECD) projects.

- At the George Washington University, in Washington, DC, Dr. Sorel is the lead physician teaching *Global Mental Health*. He is Clinical Professor of Global Health, Health Policy & Management and of Psychiatry & Behavioral Sciences.
- Dr. Sorel works collaboratively with primary care and public health colleagues. The innovative, *TOTAL Health* model, a primary care, mental health & public health integrated/collaborative template was initiated by Dr. Sorel in 2013 as a means of enhancing quality, access, and sustainability of care. In June 2018, he was the President of the 1st International Perinatal TOTAL Health Congress. Dr. Sorel is the lead author of "*Healthcare, Inclusive of Mental Healthcare, Is a Human Right*". It is now APA policy since December, 2017. He co-chaired the scientific committee of *the Social Determinants of Health/Mental Health & Access to Care World Congress*, October 2019, www.wasp2019bucharest.org.
- He initiated and led the clinical public health research project on *Depression & Comorbidity in Primary Care* in China, India, Iran, Romania published in the *International Medical Journal* and shared at the World Bank Group/WHO Innovators' Fair in Washington, DC in April 2016.
- Dr. Sorel coauthored the APA position statement on *Integrated Care* of 2016 and the *WPA Bucharest Statement on Integrated Care & Collaborative Care* of 2015. *21st Century Global Mental Health* is the one of seven books published by Dr. Sorel. His most recent publications are, *Covid-19: A National and Global Social Contracts Stress Test* (in press), and *The Social Brain: Wired to Connect and Belong*, in <http://www.worldsocpsychiatry.org>. He was a subject matter expert to the OECD's *Making Mental Health Count* project accessible at www.oecd.org.
- He was a cosignatory of the *Amici Curiae Brief of Public Health Deans, Chairs, and Faculty and the American Public Health Association* in *David King, et al, v. Sylvia Mathews Burwell*, No. 14-114 in the Supreme Court of the United States, in January, 2015.
- The George Washington University's Milken Institute School of Public Health honored Dr. Sorel as a *Pioneer and Leader in Public Health* in December 2019. He received the *Mental Health Champion Award* at the Universal Health and Mental Health for All Conference in Malta, E.U., in December, 2018. The Government of Romania honored Dr. Sorel with the *Excellence Prize*, at the Romanian Embassy, in Washington, on October, 2018. Carol Davila Medical University and the Politehnica University of Bucharest, Romania, honored Dr. Sorel with *Doctor Honoris Causa* in October 2009 and in June 2014, respectively. The President of Romania decorated Dr. Sorel with the *Star of Romania Order of Commander* in January 2004.
